The 1979 Troiad staff takes great pride in selecting an exceptionally worthy dedicatee. Admired, athletic, attractive, and amiable — these are accolades that describe the lady whom we honor today.

As a student at Pottstown High School her activities included basketball, lacrosse, AA Board, and class cabinet. She was the captain of the twirling corps and the business manager of the 1967 Troiad.

After being graduated from West Chester State College, she returned to Pottstown High to teach physical education and health. In addition to her teaching she has coached almost every girls' sport and has served as advisor to the Classes of 1976 and 1978. Currently she is the coach of lacrosse and girls' tennis and is a co-sponsor of the Girls' Leader Corps.

Her accomplishments are many. In an incredible year she coached two teams — lacrosse and girls' basketball — to Ches-Mont championships. She was selected Outstanding Coach of 1978 by the Tri-County Old Timers Association.

The quantity of her accomplishments is surpassed only by the quality of her work. As a coach she emphasizes winning but also stresses attitudes, self-esteem, and school pride. As a teacher she has tremendous rapport not only with her athletes but with all students at P.H.S. As a woman she demonstrates competitiveness combined with feminine poise. It is with the warmest admiration and respect that we dedicate the 1979 Troiad to

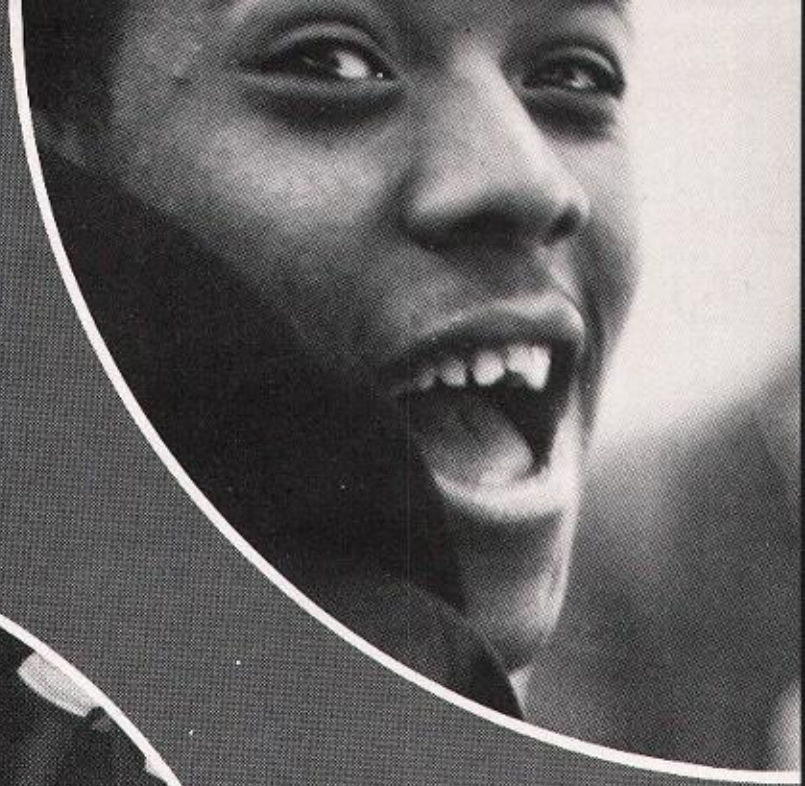
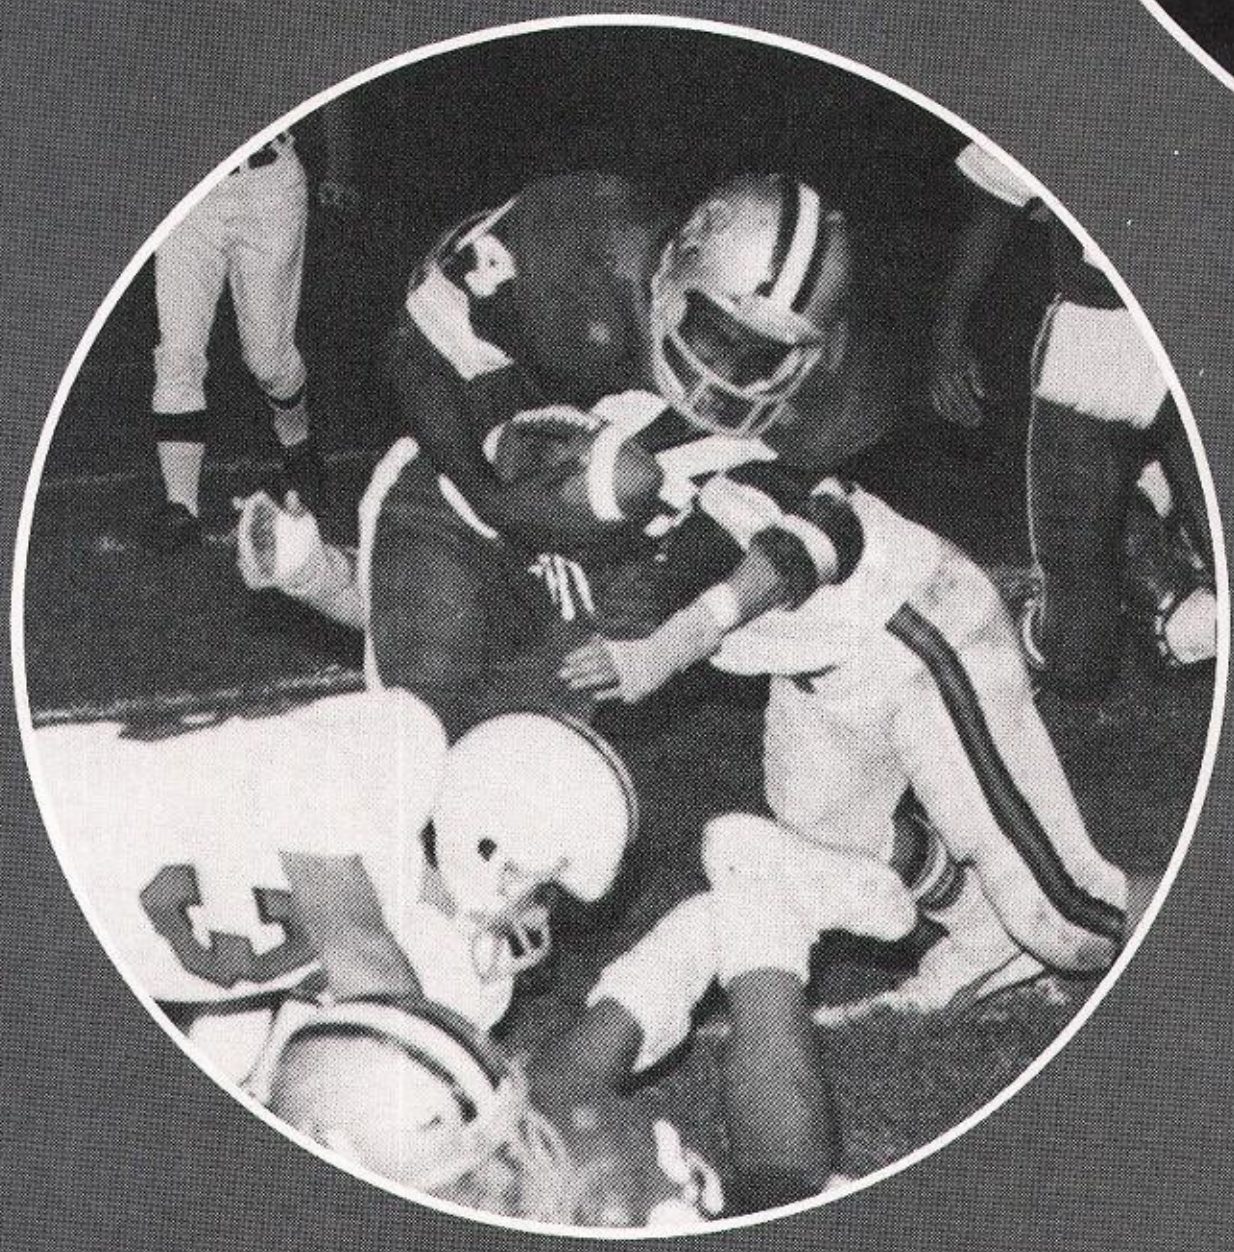
Throughout time one of man's most inspired quests has been the search for recognition. Man in all ages has wished to burn bright and shine upon his fellowmen. His attempts carry him into the studies of the arts, humanities, and sciences, onto the fields of athletics, and into the experiences of daily social living. Man makes his own light, and his fellowmen create his reflection. In our high school years we have shined upon each other, and the sum of the individual lights was greater than the whole.

Another quest, equally as strong, has been the pursuit of knowledge. Knowledge is kept with the pen. If none should write it down, the fact would die with the last man to possess it. The pen is the tool used to link the past and present . . . and knowledge, the light of mankind, illumines the future.

Waste not a stroke of the pen nor a ray of the light.





There are two ways of spreading light: to be the candle or the mirror that reflects it.

We Write Our Own Destiny; We Become What We Do

Pottstown High School is a comprehensive high school which provides a wide selection of programs for the varied student body. Since Pottstown is an industrial community, its young people represent all economic levels, the complete range of academic abilities, and the gamut of special talents from art and music to mechanics and athletics. If there is one word to epitomize the students of PHS, it is diversity. The high school must accommodate this diverse student population with a broad choice of offerings. The courses may be grouped into four categories: college preparatory, business education, trade industrial, and specialized areas.

The college preparatory course prepares students to attend schools of higher learning. Not only do the students acquire knowledge but also the skills of problem solving and learning. Emphasis is placed upon problem solving, reasoning, methods of research and experimentation; in short, learning to think. Advanced courses in specialized fields allow students to pursue special interests and to secure advanced placement in college. Advanced calculus, physics, chemistry, and biology are offered. Honors English in tenth and eleventh grades and creative writing allow advanced students to develop verbal and writing skills.

Approximately 500 students are enrolled in the business education course. The most demanding curriculum is the secretarial which includes business law and economics and highly technical business English. Data processing utilizes the computer facilities of the school district and teaches computer operation and data regulation. Accounting demands great mathematical accuracy of its majors. The final course is clerical which teaches general office skills.

Pottstown High School is one of the few comprehensive schools in the area. It has a complete, extensive vocational department within the school. Students may choose training in eleven vocational areas: building maintenance, appliance repair, cabinetmaking and millwork, machine shop, mechanical drawing, cosmetology, food service, health services, automotive shop, technical drafting, and home economics. While both boys and girls are enrolled in almost all of the courses, some are more appealing to one sex or the other.

The school makes provision for meeting the common needs of all students and the special needs of students with special talents and special problems. The physical education department emphasizes physical fitness and good personal hygiene. Home economics, psychology, photography, art, crafts, industrial arts, and music provide elective courses which are very popular with the students. College prep students may arrange their schedules to major in art or music; this year 22 students majored in art.

It is all here — the facilities and the instructors. The objective of the school is to graduate students with good values, self-discipline, problem solving skills, and salable skills. It is up to each individual student to take advantage of all that is offered to him.

Seniors: Search for Tomorrow

We, the senior class of P.H.S., would like to take this opportunity to express our gratitude to the many people who have helped us through our high school years.

First, we would like to thank the Class of 1980 for being the "little guys" in our first year. You gave us many laughs and someone to pick on.

Secondly, we would like to thank the faculty with whom we have spent the last three years. We thank you for Mr. Avery's sponsoring 79 activities, Mr. Rendina's method, Mr. Kovach's making our yearbook financially possible, Mr. Milantoni's regimented Key Club, Mr. Leveille's faith in us, Mr. Strock's job hunting and Mr. Armato's "Pray tell . . ." We are grateful for Mrs. Beekley's patience, Mr. Fritz's unbreakable thermos bottles, Mr. Kacanda's guidance, Mr. Tull's endless notes, Mr. Baker's snap, and Mr. Leshinskie's unembellished stories. We appreciate Mrs. Swavely's diction, Mr. Weller's sense of humor, Mrs. Noel's map tests, Mr. Olivieri's Q.E.D.'s, and Mr. Delewski's Polish jokes.

Finally, we would like to thank the administration. We will never forget Mr. Smith's cheerleading squad, Mr. Karin's announcements, or Mr. Yaremchuk's pressed jeans.

Most important of all, what do we say to each other? Thanks for your picture. Thanks for what you wrote in my yearbook. Thanks for the memories. Thank you for being my friend.

Juniors: The Young And The Restless

We, the juniors, will never forget 1978-79 . . . we had our share of victories and defeats . . . we wrote a term paper and learned to drive . . . Lisa Detar made first team All-Ches-Mont field hockey and Carolyn Wright became Miss NAACP . . . our cabinet sold fruit and wrapping paper and swam for hours . . . we watched Jeff Green clinch victories on the mat and Leon Gibbs earn double digits on the court . . . Bill Schmearer played in the State Band while Sherry Lloyd and Laurie Ney killed thirteen people in Arsenic and Old Lace.

Our junior year is now over, with much to remember. We accepted a mantle and became seniors. But as juniors we shall never forget 1978-79.

Sophomores: Wild Kingdom

Throughout the years, Pottstown High has had its share of graduating classes from which famous people have emerged. The sophomore class of the old blue and white harbored its own conglomeration of potential talent. No one knew what the future had in store for these people, but some predictions were . . .

. . . the scientific world will rave over Todd Moyer's theory of gamma radiation during a full moon.

. . . Al Kishe will run for the Presidency in 2011.

. . . Missy Shaner will score a perfect 10 in the '84 Olympics.

. . . Monica Jones will write a gossip column in the New York Times.

. . . the most popular night time talk show will be the The Johnny Corson Show.

. . . Jim Tunnicliffe will become the world's first bionic man.

. . . Dave Miller will become an emperor in a South American country.

. . . Lori Skean will become a famous professional athlete.

Freshmen: The Rookies

Once again a freshman class was faced with the task of adjusting to the confusing and challenging ways of the Pottstown Senior High. This year 291 new faces advanced to the senior high. The freshman class, second largest in the school, was fortunate to have talented members in the fields of athletics and scholastics. Our male "superfrosh's" were Ronnie Reinhart, Eric Schirk, Corey Goff, and Jeff Shaner. These individuals excelled in football, wrestling, and golf to such an extent that they played on high school varsity teams.

We also had a highly intellectual group of people; twenty-four made high honors. These people excelled in their studies to achieve an A average. Fifty-five people achieved honors signifying above average work.

This year we had two new teachers as class sponsors. Mr. Pignataro and Miss Fisher worked with our class to organize the group, govern through class cabinet, and raise money to begin our class treasury.

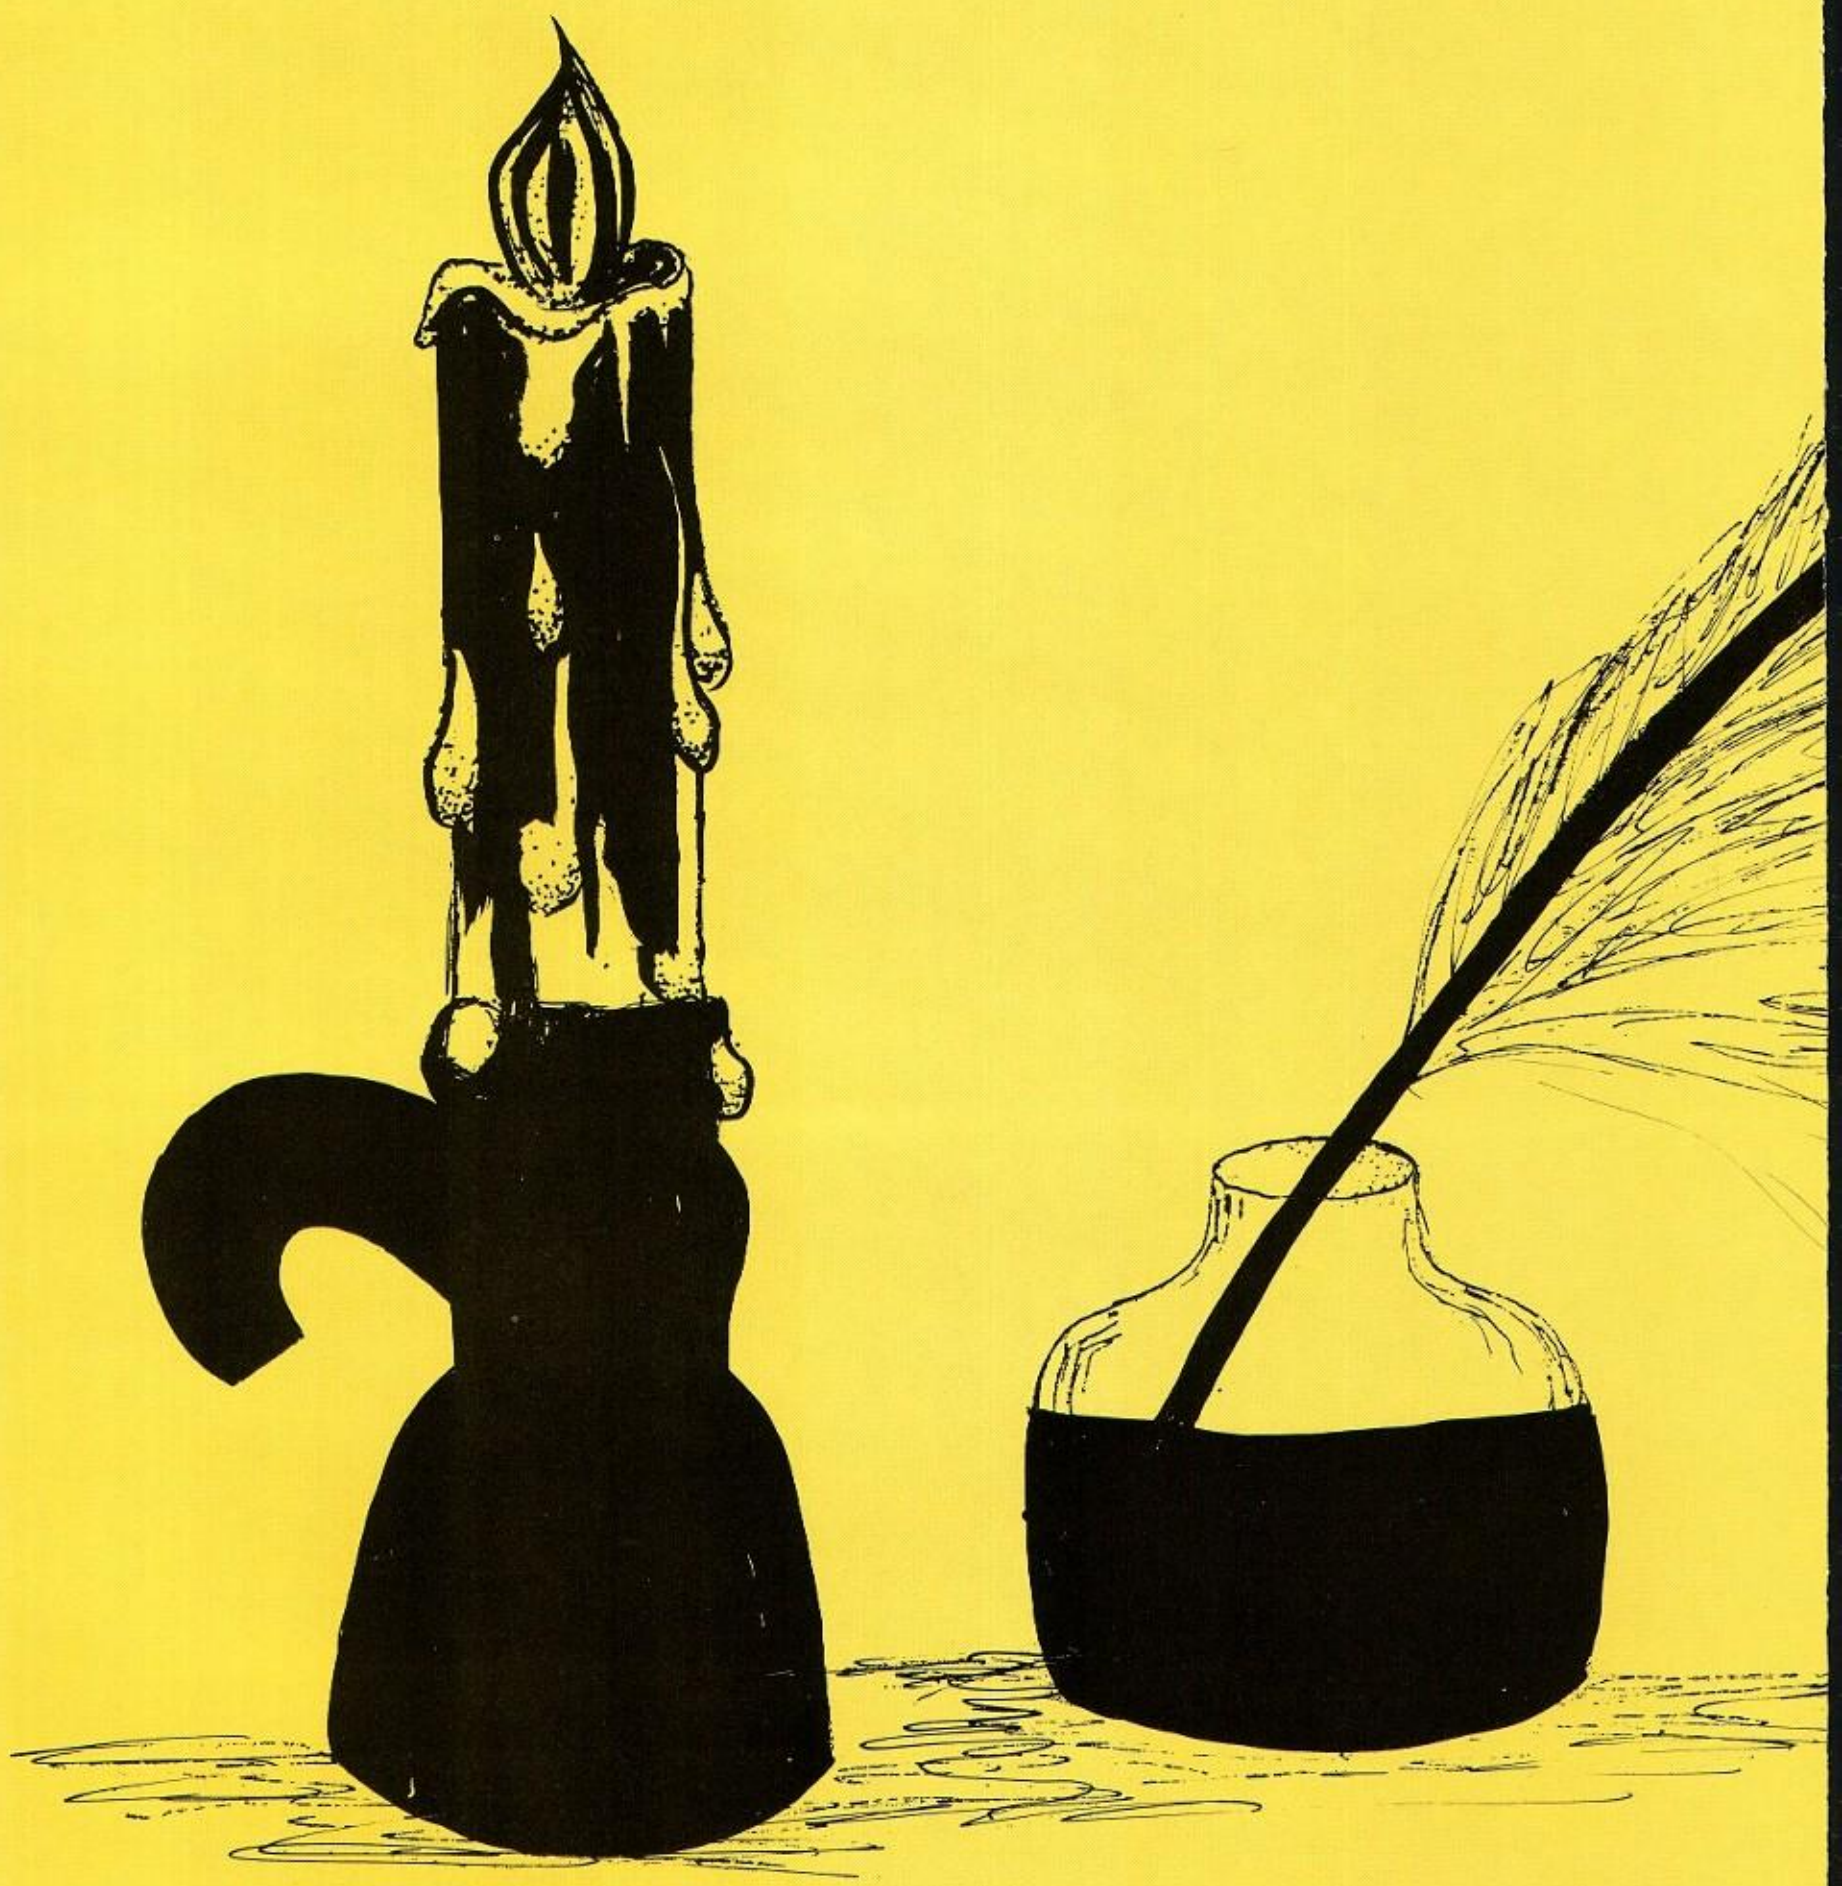
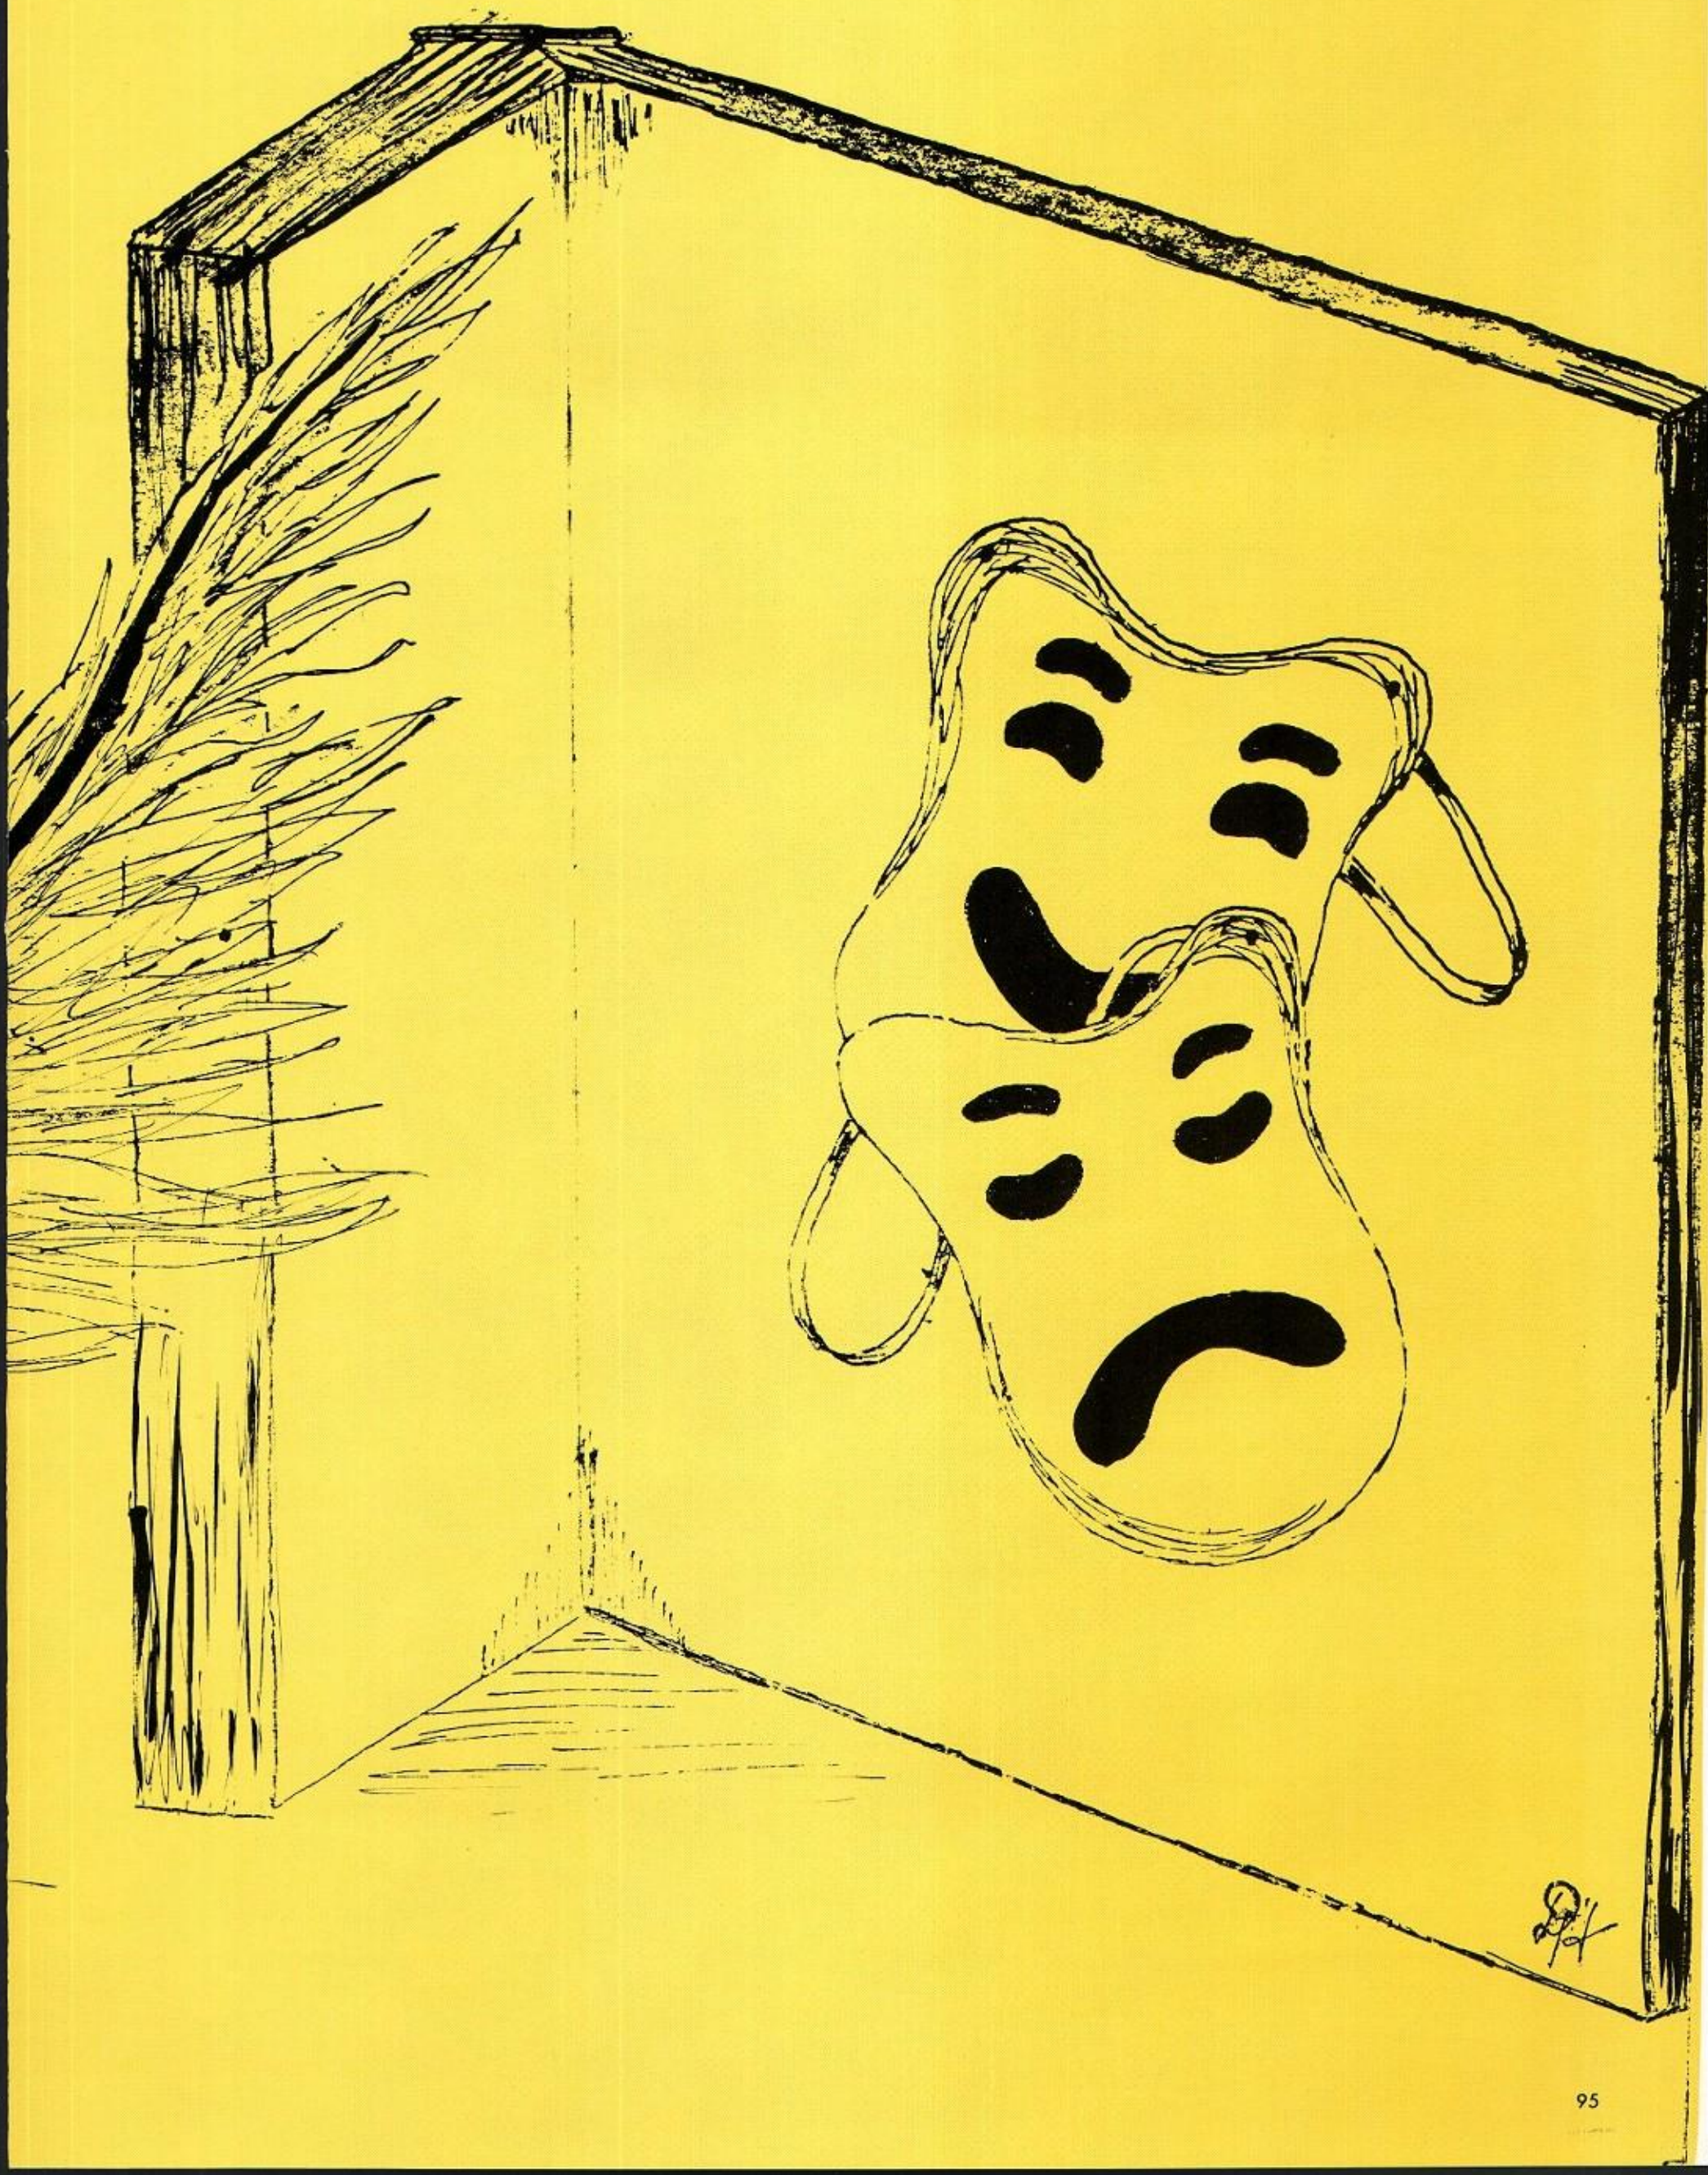
ACTIVITIES





Mr. Tull Grants Students Honor

HONOR SOCIETY OFFICERS. D. Stevenson, P. Mourar, D. Bartko, H. Geiser, Mr. Tull. **STUDENT GOVERNMENT OFFICERS.** Mr. Grant, N. Chomnuk, B. Bebb, M. Montalvo, J. Neri.

The National Honor Society was a service organization which recognized and rewarded students who excelled scholastically. Advisor Mr. Tull expressed its importance as one of the few structures which gives students recognition for their academic excellence. Acceptance was open to all juniors and seniors who earned an 87.5% or better academic average and participated in one or more extracurricular activities. The senior members were honored with a banquet and Senior Award Day program where they received scholarship trophies, pins, and certificates. The Honor Society served the school with a tutoring service and hospitality committee.

The Student Government was an organization designed to improve the school and to promote student relations. This year under advisor Mr. Keith Grant, the student government considerably increased its activity and involvement. To arouse spirit for the Thanksgiving game, it joined forces with many other clubs to hold a dance. It conducted a Youth Conference in which students and senior citizens met to discuss problems shared by the young and the elderly and to close the communication gap. Other projects included job descriptions for officers, a new constitution and monthly reports to the School Board.

FHCCs What's in the Future

The Future Health Careers Club consisted of juniors and seniors enlisted in the nursing and dental hygiene courses. Under the direction of Mrs. Falvey, this course prepared the students for post-high school jobs and college learning. F.H.C.C. dealt in therapy of the body, practical nursing, and dental skills. The F.H.C.C.'s many activities included adventures to the Montgomery County Community College, visiting the Overbrook School for the Blind, and hosting a bloodmobile. The F.H.C.C. dedicated themselves to duty and humanity.

PHS News Has Write Attitude

From deep within the walls of P.H.S. behind the closed door of Room 216, a brilliant staff of creative artists worked diligently on their masterpiece. Together, the twenty young people and their fearless leader, Colonel Swavely, toiled on a literary work which would shine in the annals of time as P.H.S. News.

The P.H.S. News staff put together six fine issues filled with news, opinion, satire, sports, comedy, and nonsense. While the news was not always good; the opinion, not always agreeable; the satire, comedy, and nonsense, not always funny; and the sports, not always spirited; the staff had a good time trying to make it all organized and wordy enough to cover the more than 10,000 words needed to fill each issue. If you had half as much fun reading it as we had writing it, then we had twice as much fun as you.

So from the desolate halls and the oasis in the sand known as Room 216, thank you.

Choir Lights Up Our Lives

Under the direction of Mr. Edward O'Neill, the P.H.S. choir followed a very busy schedule. They gave a Christmas concert and a spring concert. They participated in the Pottstown Arts Festival, and they performed at the Golden Age Club and the Leader Home.

Bill Schmearer, Andee Schmearer, and Dave Purnell were selected as members of the District Chorus; Dave was also a member of Regional Chorus. Senior Tina Whisler contributed her time and service to help make the choir a success.

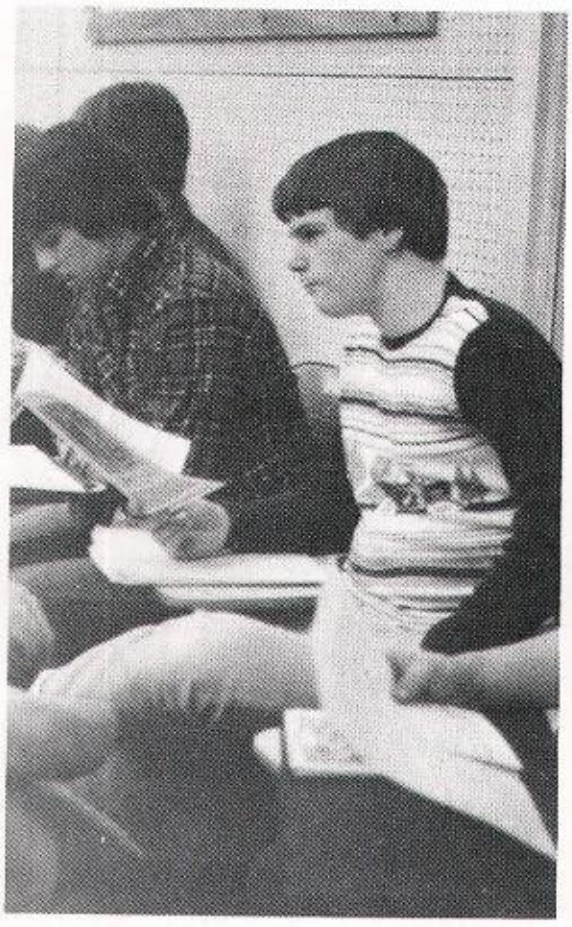
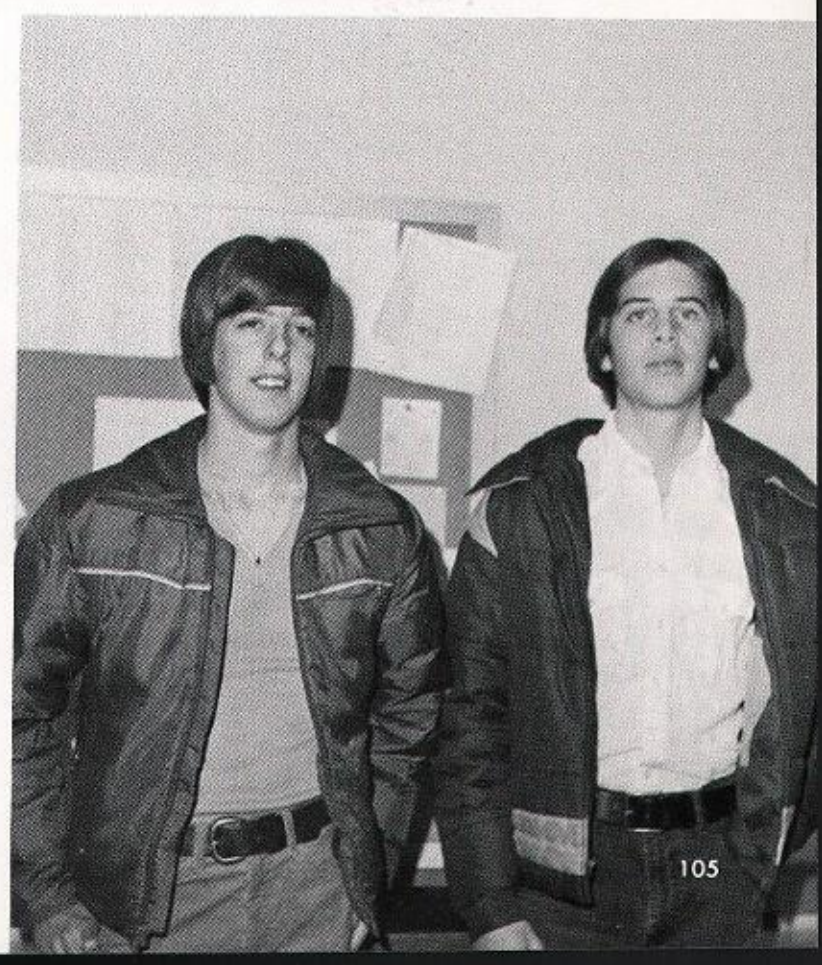
In addition to being active members of the choir, Bill Schmearer and Dale Kreider also participated in the Pennsylvania State Band.

Mr. O'Neill and accompanist Mrs. Oliphant.





Every Knight Has a Trojan Girl Beside Him

The Trojan Girls were a group of boosters under the guidance of Mr. Charles Avery, who made the football team feel special. The girls decorated lockers weekly and provided a Thanksgiving Day pancake breakfast. They painted posters and co-sponsored dances.

Mr. Olivieri's chess club was under the leadership of president Dan Lafferty and vice-president John Kalbach. The dedicated members were willing to pawn their lives for the game.

Stage Crew Lights Up Our Lives

The Drama Club, sponsored by Mrs. Heydt and Mr. Burnett, promoted the fine art of theater in Pottstown High School. Led by president Scott Miller, the club was composed of students of all classes, including members of the junior and senior class plays. In addition to the class plays they presented Drama Night, a group of short skits. They also performed individual acts of singing and dancing. They enjoyed trips to plays and dinner theaters. This group helped promising young actors and actresses pursue their goals.

The stage crew was a very important but often unrecognized group in the school. Each time an assembly or activitiy required the use of the auditorium, the stage crew sacrificed their time to help. Under the supervision of Mr. Olivieri, the stage crew set the stage, made backgrounds, and worked the lights, sound system, and projection equipment.

Language Clubs

The Spanish and French clubs got tastes of European life. They met regularly to discuss their bake sales, car washes, and fund raising events. Some of the Spanish travellers went to Spain to learn first hand what they had studied in school. The real cultural bash was the annual Christmas party with everything from crepes and French carols to tacos and pinatas. The clubs were an exciting learning experience.

Girls' Leader Corps Lead Future Athletes

The Girls' Leader Corps was a voluntary organization established by Miss Bechtel and Miss Whistler and comprised of experienced girl athletes. Some of the responsibilities of the G.L.C. were to distribute equipment, help instruct students who needed help with skills, officiate in classes, lock the locker room, and keep the locker room clean.

The G.L.C. also participated in activities such as volleyball games with the Boys' Leader Corps and the faculty, a trip to a Seventy-Sixers game, and fund raising and spirit projects.

The officers were president Doreen Kornoski, vice-president Lisa Detar, secretary Lisa Baglivio, and treasurer Jane Geyer.

PHS Key Club Strives To Serve

Delmar Shelton asked, "What's the hubbub, bub?"
Don Lash wrote to teachers, administrators, politicians, and almost anyone who'd write back.
Charles Garner did his best for God, country, and Dick Nixon.
Steve Hatfield didn't say a word in three years.
Bruce Delong ran home 30 minutes before the game to get dressed for Homecoming.
Mike Endy impersonated Nixon and Kennedy singing "Send in the Clowns."
Dennis Walter escorted his sister.
Dave O'Connor pondered "To play or not to play."
Russ Gofus impersonated a telephone pole.
Todd Miller found a stairway to heaven (or at least the top of the bonfire pile).
Mark Zeleznick worked a year to straighten out the club's books.
Joe Saxon hobbled to meetings on his broken foot.
Dan Quay smiled a lot.
Ron Bailey smiled back.
John Kalbach ran around like a chicken with its head off.
Don Witmyer sold a stack of fruit cakes taller than he is.
Dave Scheick cried when he saw how his v.w. had been decorated for the Halloween parade.
Todd Endy avoided being stepped on by the rest of the club.

Skiing Aids Your Health

The Ski Club, sponsored by Mr. Michael Novak, is comprised of students from grades 9 through 12. The club participated in weekly trips to Doe Mountain. Forty students, many of whom were novices, tested their abilities on the slopes. Ten teachers went along with the club to show off their skills. The Ski Club enjoyed a trip to Massachusetts on February 2.

AA Sells School Spirit To PHS

Selling school spirit was the major purpose of the Athletic Association store. Not only did they sell candy and school supplies but they also sold sweaters, Trojan jackets, hats, scarves, and other items to depict the feelings of pride that P.H.S. students had for their school.

Sponsored by Mr. Charles Avery, the AA published and sold football programs at the home games. They bought trophies for the outstanding girl and boy athletes of 1978-79.

Feisty Young Trojans Learn to Give and Take

The 1978 Trojans were one of the youngest and gutsiest teams to wear the proud blue and white uniforms of P.H.S. Seventy-five percent of them were sophomores. But they learned. They learned that courage was facing linemen who outweighed them by fifty pounds. They learned that tired was playing every minute of every game — offense, defense, and special teams. They learned that faith was Coach "Butch" Leveille.

Pottstown's first game of the year came against Allentown-Dieruff. Pottstown opened the scoring in the first quarter when Bob Satterwhite scored from the one. Dieruff managed only 8 points in the first quarter against a stubborn Trojan defense. However, in the second quarter the defense began to falter, and the locals went down to defeat 33-6.

The same thing was to occur in the next four games. The Trojans' problem was numbers. Most of the opposing teams had 50-60 players; the Trojans had barely 40, 30 of them sophomores. Most of the players had no opportunity to rest. This lack of depth would take its toll in the latter part of each game.

In the sixth game Pottstown traveled to East to play the hapless Vikings whose record was also 0-5. In a steady downpour the Trojans played three scoreless quarters on the West Chester quagmire. With four minutes left in the contest Mike Favors recovered a Viking fumble on the West Chester fifteen. It could have put the icing on the cake for the Trojans. A facemask penalty gave the ball back to the Vikings who went on to win 6-0.

After a loss to Henderson, Pottstown went to Phoenixville to play the first place Phantoms. The young Trojan defense let the relentless Phantoms' offense manage only 7 points in the first half, but the battle-weary Trojans tired in the second half to lose 28-0.

But the boys learned. Points were much harder to score against Pottstown, and the running game started rolling behind returning lettermen Jeff Green and Ernie McCalvin.

Thanksgiving Day they crossed the river to rival O. J. Roberts. The rain was appropriate; the Trojans fought hard, only to lose 34-6. Roberts' linebacker Kevin Ireson said, "I still can't see how they didn't win all season. No way. They hit harder than four or five other teams we played."

The JV team finished with a respectable 5-5 record, and the freshmen finished 3-4.

Harriers Run Into Difficulty

At the beginning of the 1978 cross country season, Coach Lawrence Harvey had high expectations. The harriers responded with an exciting one-point victory over Great Valley following a disheartening loss to Coatesville. A contributory factor to the fair season was injuries to John Duttenhofer, Bob Waidell, and Jim Tunnicliffe.

The Trojans were led by senior co-captains Dave Jackson and Don Lash. Dave Jackson had an outstanding year for Coach Harvey. He was Pottstown's leading runner, finishing fourth in the AA Districts and participating in the state championship race. Bob Greenawalt had an excellent year, in which he consistently finished among the first four runners. The harriers completed the season with a 4-6 Ches-Mont record.

Trojanettes Flick by Henderson For Second Place in C-M League

The Trojanettes hockey team had one of their best seasons this year. Their skill, speed, and aggressiveness on the field, along with their undying desire to win, gained them the second place in Ches-Monts. This place was won after a 2-1 victory over Henderson, who was tied with Pottstown for second place. This win brought Pottstown into District I playoff action. The Trojanettes were second to Great Valley in the league, but they had more wins than Great Valley during District competition. Pottstown's season ended after their second game in Districts when they were defeated by Interboro, 0-1.

The majority of this year's team was seniors. "They were the best group of hockey players I ever coached," Miss Whistler remarked. Only four varsity players will be returning for next year's season.

Three outstanding players on this year's team were recognized on the All Ches-Mont team. They were Lisa Detar, first team offense; Jane Geyer, second team offense; and Charlene Ebersole, second team goalie.

The junior varsity team was coached by Mrs. Mary Powell. Their season ended with an overall record of 2-6-5. The freshman team, coached by Miss Ellison, ended their season 1-6-2.

PHS Golfers Drive Fore Victory

The much improved golf team finished their season with a third place in the Ches-Mont League. The team's third place was a giant step up from their last place in 1977. All the golfers improved, but the key to the Trojan success was Gregg Schwoyer.

Schwoyer had a record average of under 75 strokes per match. His achievements included a record low 65 at Twin Ponds golf course against Boyertown. He was named to the All Ches-Mont team.

The team highlighted their season with a victory over Ches-Mont champions Great Valley. They then suffered a tough loss by two strokes to the C-M runner-up Downingtown.

The team lost four lettermen by the graduation of Gregg Schwoyer, Duane Seybold, Dave Binder, and Todd Daniels. Despite the loss of these outstanding players Coach Davis was optimistic about the 1979 season. Promising golfers returning are Brad Daniels, Scott Sandoe, Jeff Shaner, and Mike Ruyak. Coach Davis commented, "With improved poise and concentration we should be able to achieve maximum performance next season."

Young Trojans Finish 7-7-2

The Trojan wrestling squad under new head coach Jim Tsakonas began its '78-'79 year with a preseason record of 2-1-1. At the Lower Moreland Holiday Tournament two individual Trojans managed to start and end the competition well, as lightweight Donald Lash and heavyweight, Jeff Green became two of the tournament's champions.

The Trojans' strength and toughness were tested as they met four of the strongest Ches-Mont teams at the start of their regular season. The result of these matches left the grapplers with a 0-3-1 record. Trojan pride and determination were not injured, as the squad won their next three matches.

A very disappointing loss to East may have seemed to have dampened the young squad's spirit, but it bounced back to take on the Bears of Boyertown. The squad put on its best exhibition of wrestling technique, strength and endurance as each and every one of the twelve man line-up gave his best effort for every second that he competed. Unfortunately, the Trojans still lost this match to Boyertown which left them with a Ches-Mont record of 4-5-1.

This dedicated crew of varsity and junior varsity wrestlers will better its present record, as there were only five senior competitors. Under the direction of coaches Tsakonas, Armato, and Friend, the squad will be prepared for its '79-'80 season.

Girls' Tennis Recruits Aces

The Trojanettes finished their season with a 2-9 record. But the statistics did not represent every aspect of the season. This year's varsity contained only one returning member, Joanne Kauffman. The junior varsity was composed of many girls who played on the team for the first time. But what the girls lacked in experience, they compensated for in desire and determination. Miss Bechtel took over the coaching position only a few days before the first match. With many hours of discipline and teamwork, she helped the Trojanettes complete their season with pride. Together they looked forward to next year with their hopes based on the great number of underclassmen. Senior members of the team were Joanne Kauffman, Terri Lipko, Sharon Weiser, Patty Ladjanski, Donna Endress, Terri Rinaldi, Ann Rizzuti, and Peggy Sheets.

Girls Strive Toward Playoffs

The girls' basketball team captured the first half crown with a 10-1 record. They had pressure from several teams such as St. Pius, but they proved themselves to be the best. In the second half they placed second with an 8-3 record. The Trojanettes participated in a league championship game against St. Pius X and lost a tough game by the score of 46-39. The exciting Trojanettes then entered into district competitions which extended their season into March.

A key to their success was an overall strong, consistent team with good support from a well balanced bench. Each girl knew her responsibility whether it was scoring, passing, or rebounding. The Trojanettes were undoubtedly one of the strongest all-around teams in the Ches-Mont league.

The girls were coached by new coach and teacher Mr. Richard Barletta.

Trojan Bowlers: As Good As Pros

In Pottstown High School bowling was an intramural sport in which all students could participate. The students organized themselves into teams who bowled against each other each Monday afternoon at the Jay Lanes on Route 422. Mr. Robert Kovach sponsored the bowlers, and leadership was provided by president Jim Dunlap and secretary-treasurer Lori Reider. Dan Quay, Todd Miller, Jim Dunlap, Scott Braunsberg, and Cheryl Fine were a few of the consistent high scorers among many fine bowlers.

Cagers Court Playoffs With Determination, Speed, and Skill

The 1979 Trojan basketball team began the season with the odds against them. They had early season problems within the team while they were competing in the toughest league in all of District I. They also lacked overall team size. But they overcame these odds with their hustle and overall competitive spirit. Their speed and spirit were rewarded with upset victories over Bishop Shanahan, East, Henderson, and Phoenixville. The most thrilling game was against Boyertown; they defeated the Bears in double overtime. All in all, Coach Fritz was proud of the total team effort that they put into all of their games. The high point of the season was the team qualification for the P.I.A.A. District I AA Playoffs.

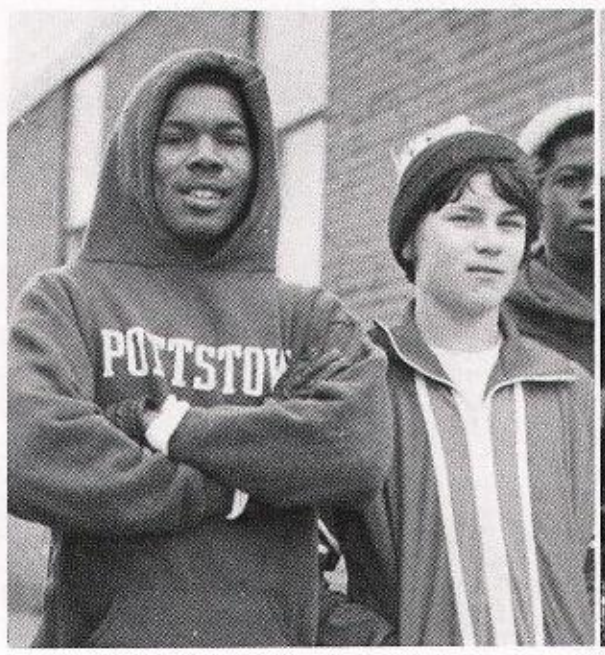
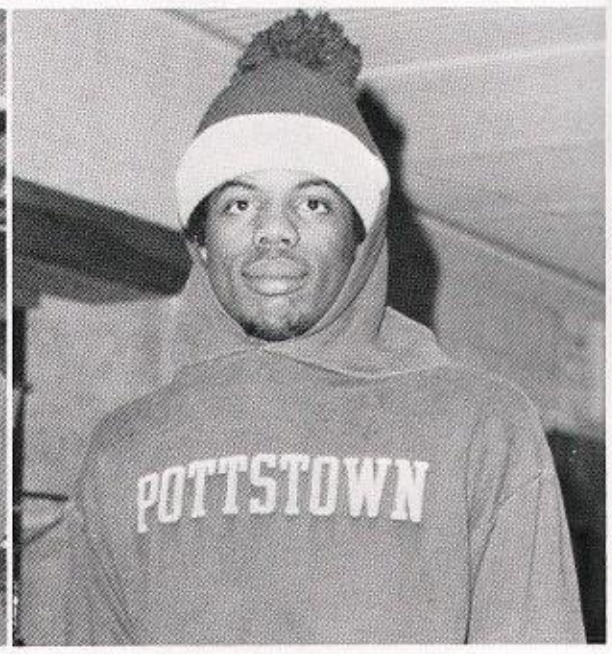
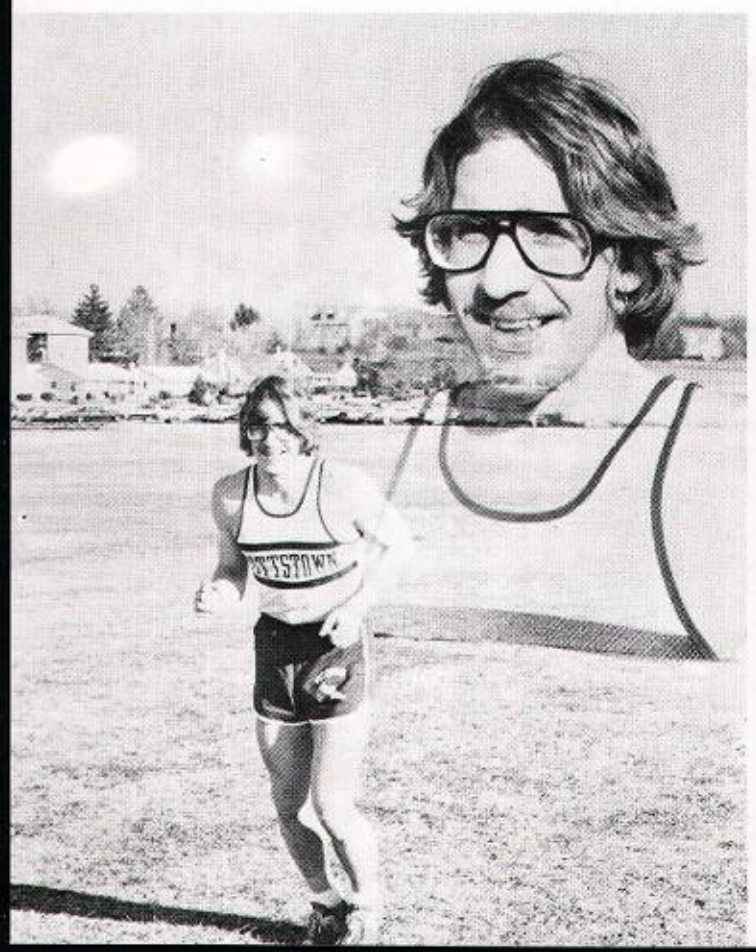
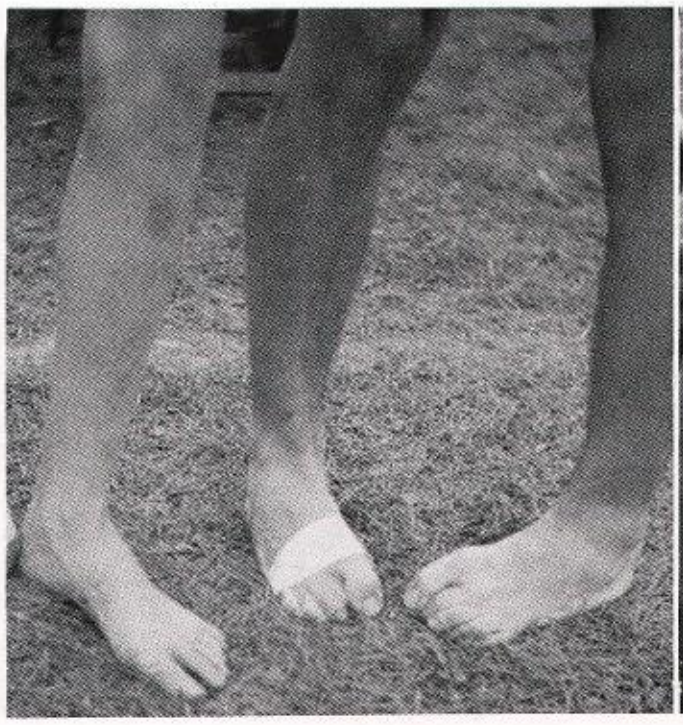
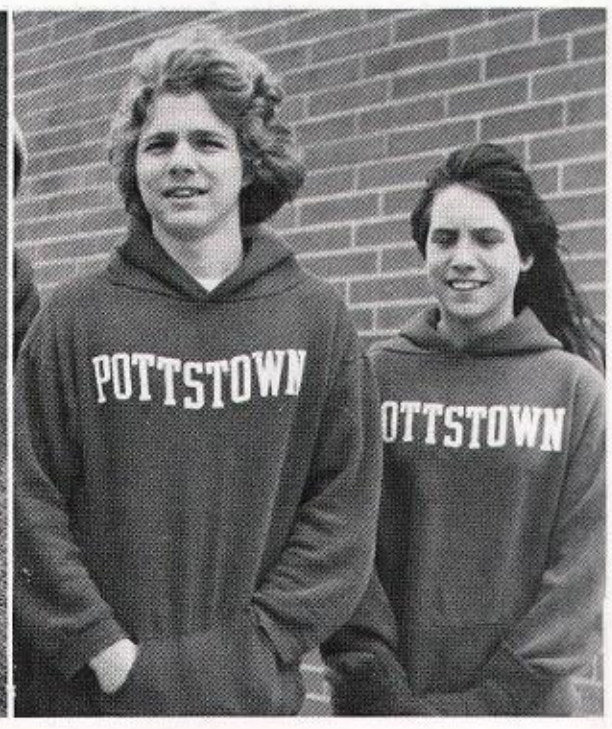
COACH DANIEL WELLER



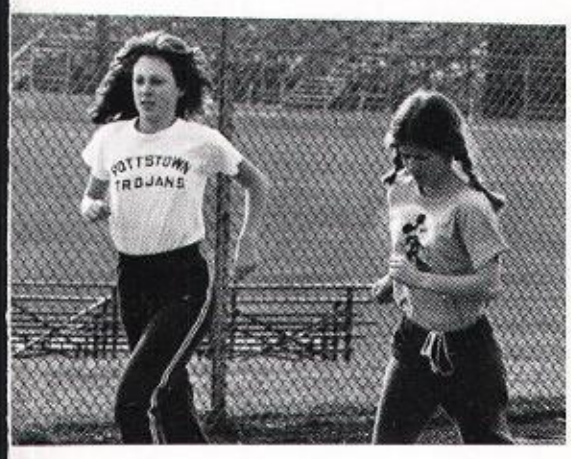








Track Off and Running Hard Under New Coach



Pottstown thin clads were in their first year under the new coaching staff of head coach Daniel Weller and assistant coaches Lawrence Harvey and William Rogers. The team looked for at least eight wins.

The winter track team under Mr. Weller highlighted such stars as Bob Greenawalt, Ernie McCalvin, Dave Jackson, Steve Gombos, and John Shawell. Winter track is a unique preparation for the spring track season. It consists of Divisions I and II. Each division consists of 30-40 teams. During a meet each athlete may compete only once with the top four athletes in each event receiving medals. Trojans who qualified for the Princeton Meet of Champions were Dave Jackson, Bob Greenawalt, John Shawell, Anthony Gray, Bob Satterwhite, and Ernie McCalvin. The 11 meets this year were held at Haverford, Lehigh, Widener, East Stroudsburg, Princeton, West Chester, and Philadelphia Convention Hall.

PHS Tennis Team Courts Season With a Net Gain

The Pottstown tennis team, under the direction of new head coach Rick Barletta, built a strong squad that surpassed the teams of recent years. The season for the Pottstown netters got off to a late start with Coach Barletta leading his basketball team to a District Championship. Once practice started, the team progressed and built a solid young team with experience and court knowledge gained through hard work and determination. The team consisted primarily of underclassmen with only three graduates. Team captain Todd Daniels held the team together with his leadership and kept morale high throughout the season. Coach Barletta was pleased with the performance of the team. He said that the enthusiasm generated by the players and the leadership made this a highly productive season.

Trojanettes Aim to Retain Chesmont Crown

The '79 lacrosse team got off to a great start due to the cooperative spring weather. The girls worked very hard in the early weeks of practice in preparation for the opening of the Ches-Mont league season.

With more emphasis being placed on girls' sports each year, the competitiveness increased. Led by returning varsity players Linda Detar, Lisa Detar, Linda Duttenhofer, Jane Geyer, Caren Holsberger, Doreen Kornoski, Marcie Mariani, and Cindy Zawaski, the girls opened their season with high hopes of retaining the Ches-Mont league crown for a second year.

SENIORS. FIRST ROW: D. Hallman, L. Duttenhofer, J. Geyer, L. Detar, P. Holinka, L. Dezura, C. Holsberger, T. Davis, J. Nichols. SECOND ROW: Miss DiPietro, M. Mariani, D. Endress, D. Newman, D. Kornoski, M. Yonas, Miss Bechtel.

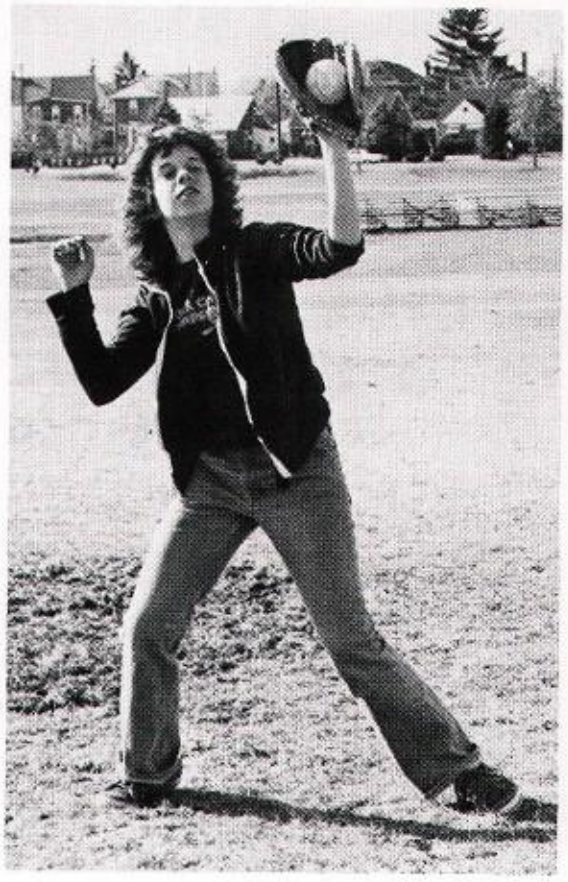
Softball Scores With PHS Girls

The Trojanettes softball team, coached by Miss Gene Whistler, was a very young team. Since this sport was reintroduced in 1978, there were few veteran upperclassmen. The team was composed mainly of freshmen and sophomores. Miss Whistler was confident that by 1982 they will have two good teams, a varsity and a junior varsity. The Trojanettes played a full round of 12 games. Their most challenging opponents were Downingtown, Boyertown, and Coatesville.

SOFTBALL. FIRST ROW: K. Toth, P. Walters, J. Ihle, J. Heany, S. Saylor, C. Whitehurst, L. Strickler, C. Ebersole, A. Rizzuti. SECOND ROW: M. Williams, S. Dransfield, K. Andjewicz, C. Fine, M. Jones, P. Moyer, L. Grubb, L. Skean, Y. Young. THIRD ROW: M. Brown, M. Grepps, T. Thornton, B. Ewing, D. Lare, S. Eidell, B. Brown, C. Hofmann. FOURTH ROW: Miss Whistler, T. Hartman, C. Schmearer, D. Pace, D. Koren, W. Drake, H. Flynn, D. Pinter, H. Criblear.



Rounding Bases Is the Biggest Hit in Pottstown

The Pottstown Senior High baseball campaign was as successful as it was exciting this season. A solid veteran infield of Dennis Kriczky, Mike Kerr, Duane Seybold, and Jeffrey Green made an Iron Curtain. With the acquisition of freshman catcher Ron Reinhart, the pitching battery of Bill Brown and Bob Fine was more powerful than a Sears Die Hard. The outfield was like a Venus fly trap. The offense was supplied by the ever dependable David Albright and Jim Kerr.

The junior varsity squad turned in a fine season in their own right. Under the coaching of Mr. Saylor, the Trojan j.v.'s ate up ground balls and cleaned off the plate. The freshmen team had a good year under first year coach Jim Edwards.

VARSITY. FIRST ROW: D. Albright, B. Fine, R. Faust, D. Kriczky, R. Little, B. Bill, T. Levan. SECOND ROW: Mr. Kerr, M. Kerr, D. Seybold. THIRD ROW: L. Kasdras, J. Kerr, R. Reinhart, D. Evans, D. Quay.

Final Note

To construct a good yearbook takes the talent and dedication of all the people involved. This year's book was made possible by people who cared enough to give of themselves and of their time.

We wish to express our thanks to Loring Studios and to their photographers — Bill Seltzer, Bill Evrich, and Jack Forsythe — and to our own student photographers, especially Delmar Shelton and Doug Whitehead.

For all their financial assistance we would like to thank Mr. and Mrs. Robert Kovach and the business staff.

We are extremely grateful to Denise Haring for her outstanding artwork on the divider pages and to Mrs. Barbour who helped and advised Denise. We extend thanks to the typing staff for their work on senior section. We acknowledge Mr. William Smith and Mr. Ronald Hallman for their administrative assistance and to all the teachers who excused students to have pictures taken.

We deeply appreciate the cooperation of our fine editorial staff who is mainly responsible for producing this edition of the Troiad.

We are often told that the school years are the best years of our lives. We realize it too late. As we look back, the term paper wasn't that bad, there wasn't that much homework, and the teachers were all basically nice. Now we all go our separate ways, breaking ties with old friends and making new ones. Some of us will succeed and shine brightly; others, full of potential, will not. Some will make the adjustment of being on their own easily, while others will sincerely miss high school life. Whatever the future holds, we want to wish everyone good fortune.

Finally, we show our greatest appreciation to our advisor Mrs. Huddy. We often neglect to express our feelings to those that are closest to us. She devotes endless hours of her time to guide and encourage each member of the staff, which enables us to produce a better book each year.

We are proud of the '79 Troiad we hope that we have saved your memories.
